

We value your business and would like to add some value to ours.

Welcome to Our Monthly Newsletter!

Wait!! Before you file this away in your trash folder, you should know it won't be filled with tiresome tax talk. Sure, we'll slip in some tax advice here and there, but the real aim of this newsletter is to provide you with **intriguing, relevant** information and to keep you in the loop with the goings on at Blueback.

Tune in for local events we're excited about, QuickBooks® workshops we'll be hosting, opportunities to score a free beer, and much more.

We promise, we'll make it worth your time!

At the end of the day, building relationships with our clients is what makes it all worthwhile. We'd like for this newsletter to be a way for us to get to know each other a little better. So, if you have any questions or feedback about what kind of information would be helpful to you, our door is always open. We would love to hear from you!

In the meantime, you can check out our [website](#) or our new [dental industry specific blog](#) for the latest reading material.

Have a Great Summer!
